Print Audit Facilities Manager is a powerful, easy to use tool designed to remotely collect meter reads, automate supplies fulfillment and report service information for managing fleets of copiers, printers, fax machines, and multi-function devices.

Facilities Manager is the most accurate device management solution available.

Technical Advantages

Smart Alert System:

- Notifies you of issues, at the right time – not all the time.
- Gives you the power to configure your alerting needs.
- **Accurately predicts how long until toner runs out.**

Flexible Costing and Reporting:

- Easy to use, customizable reporting.
- Complete costing options that can accommodate your business model.
- **Learn how much money you are making (or losing) on each of your devices.**

“WE USE PRINT AUDIT TO ADD VALUE TO OUR PRODUCT OFFERINGS AND OUR CUSTOMERS”
